Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars).

Some sport bikes use the Minarelli AM6
engine (2T) (Aprilia RS 50 (1999-2005),
Rieju RS2 Matrix 50, Peugeot XR6,
Yamaha TZR 50, Malaguti Drakon 50),
while other use Piaggio engines (Derbi
GPR 50, and Gilera DNA). Few sport
bikes, for example: Gilera DNA and
Kingway Fennari were produced with an
automatic gearbox.
