Health on Demand is one of the most comprehensive studies jointly conducted by Mercer Marsh Benefits (MMB), Mercer, and Oliver Wyman to understand the values, needs, desires, and trepidations of employees and employers - when it comes to the future of health, in general, and the role of digital health in particular. It covers over 16,000 ...

### Health on Demand in Asia

Since 2011, Asia has accounted for nearly 70 percent of global growth in demand for oil and oil products. But the coronavirus pandemic and the regionwide lockdown of economic activity put the brakes on that growth. In 2020, we expect Asian demand for oil and gas to fall 15 percent at least and possibly as much as 17 percent from 2019 levels.
