Bison Bede Classic Stair Lift

The Bison Bede Classic Stairlift was considered by many in the trade to be the Rolls Royce of stairlifts. With its reliable A/C or D/C controlled whisper quiet motor, it had no competition in its day! It had a large luxurious padded seat and armrests that all folded up neatly when not in use. A choice of upholstery colours were also available.

Bison Bede Classic Stairlift - Stairlifts Leicester

Bison Bede began making stairlifts in 1981. At first Bison stairlifts were manufactured for the NHS and local authorities. They were then sold through approved dealers across the UK. They offered several straight stairlift models, such as the Bison Classic and the Bison Compact, which was replaced later by the Bison 50.

Bison Bede Stairlifts Reviews (2020 Update)

The Bison Bede Classic straight Stairlift was the Rolls Royce of straight Stairlifts in its day. Designed for straight staircases the Classic offered an unrivaled level of comfort. Mains powered with a soft start / stop motor meant that it was able to deliver the smoothest ride imaginable. Key Features of the Bison Bede Classic:

How do you remove an electric bison classic stairlift with a power platform? I am going into a house that has an old Bison Bede Classic straight stairlift. The lift is not working and there seems to be some sort of lowering platform that is connected to an electric motor fixed to the top of the wall at the top of the stairs.

How do you remove an electric bison classic stairlift with ...

Programming the Acorn 180 or Bison 80 If you are reassembling an Acorn 180 or have replaced the batteries, you must reprogram the stairlift. Sometimes the stairlift only needs to know where the top of the rails are. In that case you just set the "datum" point and the stairlift will remember the old program from there.

The Bison Bede Classic straight stairlift was manufactured right up until 2000. They were eventually taken over by Acorn stairlifts and not long after, production was wound up on the Bison Bede Compact and also the Bison Bede 50 straight stairlifts.

Bison Bede Straight Stairlifts, classic, compact, 50 from ...

The Bison Bede Compact stairlift was fed power via an umbilical cable on both the A/C and D/C model. When the Bison Bede 50 stairlift was released there were no umbilical cables but instead it used charging points which were located at the top and bottom of the rail. Both the Bison Bede Compact & Bison Bede 50 fault codes were the same.
