## **Communicating Doors review - Alan Ayckbourn's time ...**

Technically, a communicating door is one that connects two rooms neither of which is a corridor, hallway, or anteroom.

## **meaning - What is special about a "communicating door ...**

Connecting doors, also known as communicating doors, are often used between adjoining rooms in hotels or cruise ships. They allow families or groups to open both doors and pass between the two rooms. When the rooms are occupied by separate groups, the doors can be locked to maintain security and privacy.

back to 2014 for the confession. Having accomplished this, Ruella returns to 1974 and gives the confession to Jessica.

## **Communicating Doors: Synopsis**

The communicating doors of the title are in a hotel room, and they allow some of the characters to travel through time, returning to the same hotel room twenty years earlier. But not everybody gets transported, and not everybody gets transported to the same era.

## **Communicating Doors - Alan Ayckbourn**

Communicating Doors begins and ends in the year 2018. As the play opens, an ailing Reece Wells (Tom Beckett), wealthy businessman and owner of the Regal Hotel, is in his suite with Julian Goodman (Gerrit Graham), his friend and business partner.

future, a dominatrix flees for her life through a hotel communicating door only to find herself 20 years in the past. Stalked by a psychopath in the present and the past, the opportunity to alter time for the better puts the lives of three women at stake.

### **Communicating Doors (1994)**

This could be a terrific play - the time travel through the communicating doors provides plenty of humour and clever plotting - but it drags terribly. Just as an example, there's a scene where someone is hanging off a balcony. It lasts three pages (five minutes minimum on stage), with banter and irrelevant small talk while a ma
