Creating Character - Character Writing Guide | Now Novel

Though there are plenty of “physical appearance” generators out there, they tend to just spit out a combination of traits (“curly brown hair/green eyes/freckles”) rather than actually showing you what the character would look like. I find it much more helpful to have concrete visuals of your characters as you’re writing about them — plus it’s just fun to experiment with different physical traits and see how they manifest.

5 Character Tools You Absolutely Need to Know ~ WRITERS ...

Personality: The personality is arguably the most important thing to develop about your character. If your character looks great, but has zero personality, they’re going to be boring. So you need to give them likes and dislikes, phobias, interests, etc. And I don’t mean list out things your character likes to do and things they hate. If you’re just writing a bio-sheet, make it a small ...

Personality | Creating a Creepypasta Character

Give characters positive attitudes to their physical ‘flaws’ A person’s attitude to their own flaws may can modify their attractiveness. For example, a character might have ‘curves and swerves’; a voluptuous figure. Yet despite body shaming, they might carry their weight confidently.
