Relation Between Planning And Decision-Making. Both planning and decision-making are connected to each other. These are the most important aspects of management functions. Planning requires a series of decisions to be incorporated in advance. The foundation of planning is decision-making.

Planning And Decision Making: Characteristics, Importance ...

Revising and Updating the Strategic Plan. A plan that sits on a shelf collecting dust is a waste of money and doesn't do an organization any good. The strategic plan does not move an organization into the future if it's not being utilized, updated or revised when needed. The plan should be revised when major events such as legislation affecting the organization is approved, new technology changes the face of the industry's environment, or any other major event leadership deems as necessary ...

Revising and Updating the Strategic Plan | UniversalClass

How to make planning an effective platform for decision making. This was the question that opened the BIO event, By Invitation Only, organised by Integration which brought together, in June 2017, directors and planning and supply chain heads of 11 large companies, representing 7 sectors.

The role of planning in decision making - Integration

Planning and decision-making are the most important managerial functions, and there are many relations between them. Planning is thinking of doing. Decision-making is a part of planning. Planning is the process of selecting a future course of action, where Decision-making means selecting a course of action.

planning authorities, including any 'saved' policies from plans that are otherwise no longer current, and those development plan documents that deal specifically with minerals and waste. • Neighbourhood plans: where these have been supported by the local community at referendum and subsequently made by the local planning authority.

Planning and Decision Making

In her article "Decisions and Revisions: The Planning Strategies of a Publishing Writer", Carol Berkenkotter attempts to understand the revision process of professional writers in context.

IWA: Decisions and Revisions with a Response

Berkenkotter states, "Great and small decisions and revisions...form planning. These decisions and revisions form an elaborate network of steps as the writer moves back and forth between planning drafting, editing, and reviewing." Here it is clear that Berkenkotter truly learned just how intertwined the steps of the process are.
