Designing English : Early Literature on the Page by Daniel

...

Designing English is an overview of eight centuries of graphic design in manuscripts and inscriptions from the Anglo-Saxon to the early Tudor periods. Working beyond the traditions established for Latin, scribes of English needed to be more inventive, so that each book was an opportunity for redesigning.

Early manuscripts in the English language include religious works, plays, romances, poetry and songs, as well as charms, notebooks, science and medieval medicine. Given this vast array, how did scribes choose to arrange the words and images on the page, and what visual guides did they give early readers to help them use and understand each manuscript?

Early Years Literature Review The Centre for Research in Early Childhood recently conducted a review looking at the evidence base for the impact of early years initiatives in social care, health and education in combatting social and economic disadvantage and underachievement, both in the UK and internationally. This paper:

Early Years Literature Review - Early Education

The early Middle English period Poetry. The Norman Conquest worked no immediate transformation on either the language or the literature of the English. Older poetry continued to be copied during the last half of the 11th century; two poems of the early 12th century—" Durham," which praises that city's cathedral and its relics, and "Instructions for Christians," a didactic piece ...
