positive aspects of human experience—joy, creativity, the process of total involvement with life I call flow. To take this step is somewhat dangerous, because as soon as one strays from the stylized constraints of academic

Flow - Blogs@Baruch

What is key is that one's mindset determines all of this, and the book focuses on the notion of controlling one's inner life to achieve happiness via the flow. Third, flow is not achieved in a distracted state; all of one's being has to be surrendered to the act at hand. Multi-tasking is not conducive to the flow.
