There is no way that ALL of these reviews are legitimate. I can't believe I wasted money on this book, I'm returning it right away. I have been a LONG time reader of the 'Living Well, Spending Less' blog, and there are blog posts that I read over and over (especially about minimalism with children, the No Spend Challenge posts, and more) and I share them with family and friends.

Amazon.com: Customer reviews: Living Well, Spending Less

Living Well, Spending Less is Ruth Soukup's first book, following her wildly successful blog of the same name. She gives her readers even more of what they love about the blog: lots of creative, helpful ideas and advice for moms on a budget along with stories from her own journey to discovering what the Good Life is really all about.

July 2020 Living Well Spending Less Coupon & Discount Code ...

We may be overspending and overconsuming to try to experience the good life, when what we actually need to do is change the desires of our heart. The other side of the cure is spending less by developing good habits of living on a budget, saving on groceries, and keeping a clean and de-cluttered home. Unstuffed.
