The world, it seems, is becoming ever more complex. While some view this as a problem, Don Norman sees it as an opportunity. In Living with Complexity, he brilliantly shows how, in a partnership between users and designers, we can tame the ravages of complex technology and complex situations to create experiences that work.

The world is complex; our tools need to match that complexity. Simplicity turns out to be more complex than we thought.

Living with Complexity | Donald A. Norman | download

This principle is known today as "Tesler's law of the conservation of complexity." Tesler described it as a tradeoff: making things easier for the user means making it more difficult for the designer or engineer." — Donald A. Norman, Living with Complexity

Living with Complexity Quotes by Donald A. Norman

If only today's technology were simpler! It's the universal lament, but it's wrong. In this provocative and informative book, Don Norman writes that the complexity of our technology must mirror the complexity and richness of our lives. It's not complexity that's the problem, it's bad design. Bad des...

Living with Complexity - Microsoft Library - OverDrive

It's not complexity that drives people mad, argues Donald A. Norman in his latest book; it's confusion. Consider, for example, the range of challenges we navigate every day: we read, type, drive...
