March to Freedom is an excellent read that illustrates a young woman's fight for survival through one of the darkest periods in human history. Although the Jewish Holocaust is one of the most horrific moments in world history, it must be remembered, and the stories must be told if humanity is to learn from the past and prevent its mistakes from reoccurring.

Memoir is a genre of non-fiction written in the first person about a slice of life. There are subgenres of memoir and literary narrative non-fiction with which a writer should know and see where their own writing fits. These subgenres are rather fluid and change across time with readers' interests a
