The Mediated Woman on Indian Women's Writing in English ...

Popular culture is a critical vehicle in this work, as it can be used to promote more nuanced and varied representations. Perception Institute recognizes this potential—we harness social science research on the power of narratives to shift perceptions and use this evidence base to upend and expand current representations.

Representation: Culture & Perception | Perception Institute

The historical construction of Indian in American popular culture poses serious challenges for conducting research about representations of indigenous culture, identity, and politics. Mass-mediated representation deserves specific attention, as popular entertainment has been one of the most significant historic battlegrounds over the status of indigenous identity in American culture.

Representations of Native Americans in the Mass Media ...

Common Misconceptions About Women in Leadership. Women who lead in popular culture have almost always been portrayed as being aggressive douchebags with no heart. Movies and television shows promote this bogus idea that the only way to basically tame a shrewish lady boss is to throw a man into her life because love solves all the world's ...
