that can be your partner.

Here is an updated version of the \$domain website which many of our East European book trade customers have been using for some time now, more or less regularly. We have just introduced certain upgrades and changes which should be interesting for you. Please remember that our website does not replace publisher websites, there would be no point in duplicating the information. Our idea is to present you with tools that might be useful in your work with individual, institutional and corporate customers. Many of the features have been introduced at specific requests from some of you. Others are still at preparatory stage and will be implemented soon.

Because the Norton Anthology of English Literature contains a variety of texts, it can be confusing to cite it in your essay. You need to cite not only the anthology itself, but also the specific text from which you are drawing the information. However, both MLA and APA formats have rules for citing anthologies in-text and in your bibliography. MLA
