The politics of the Philippines take place in an organized framework of a presidential, representative, and democratic republic whereby the president is both the head of state and the head of government within a pluriform multi-party system. This system revolves around three separate and sovereign yet interdependent branches: the legislative branch, the executive branch, and the judicial branch. Executive power is exercised by the government under the leadership of the president. Legislative pow

American system, the Philippine national government has an executive branch and president, a bicameral legislature with a House of Representatives and a Senate, and a judicial branch with the Philippine Supreme Court presiding over the federal court system.

Title Philippine Government Structure with a Focus on the ...

From 1935, when the Philippines became a semiautonomous commonwealth, the behavior of presidents and other powerful political and economic elites has heavily influenced the quality of the country's democratic politics and governance. 1 The Philippines is a unitary state with a winner-take-all electoral system, a presidency that exercises huge power over budgets and appointments, and congenitally weak political parties. As a result, the president plays a central role in determining policy ...

GOVERNANCE is the exercise of political, economic and administrative authority to manage a nation's affairs. Governance embraces all of the methods - good and bad - that societies use to distribute power and manage public resources and problems. To govern is to exercise power and authority over a territory system or organization 4.
