Proteinaholic

Proteinaholic documents the simple and easy to understand truth that billions of people have died, and that life on Planet Earth faces extinction, as a direct consequence of product-promoting nutritional myths created and perpetuated by the egg, dairy, meat, poultry, and fish industries. Protein deficiency is unknown on any natural diet ...

Proteinaholic eBook by Garth Davis M.D. - 9780062279323 ...

I found Proteinaholic really enjoyable. I started eating WFPB only 4 weeks ago. Before that I was a died-in-the-wool low-carb advocate from about 2000 to 2014. After that I was a bit conflicted, but still thought that heavy meat consumption was ok for many (most?) people, just not those with certain genes that predisposed them to be "overly ...
