Review And Practice For The

Try to revisit your learning at regular intervals. For example, after your initial review, schedule another one after a day or two, then after a week, two weeks, a month – and at increasing intervals after that. Organization is crucial here. Try scheduling time for your reviews by adding them to your To-Do List or Action Program . Alternatively, create calendar reminders or set your mobile device to notify you when it's time for your next review.

Following a practice-based approach to peer review allows organizations to leverage concepts that help build and evaluate trust, such as transparency — operating in such a way that it is easy for others to see what actions are performed; and, it implies openness, communication, and accountability. If reluctant to expose any internal actions, policies, or procedures, then you are likely lacking transparency in that area.
