During the early medieval period, the slavs expanded from their original homeland to colonize vast areas and to found most of the modern nations in Eastern Europe.

The Early Slavs: Culture and Society in Early Medieval ...

This is a great overview of the origins of the Slavs and their ancient customs. The book fills a big gap in English historical literature - most history books I've read in English on Eastern Europe only begin with the early Middle Ages, but don't say much about the origins of the Slavic people and the displacement of the Celts and Germanic tribes in the region.
