This has framed the quest within that culture for global hegemony, as variously noted. This could be understood as taking the form of "supervision" to be exercised in the future by a self-selected superpower -- through the perspective implied by a baseball cap, as argued here.

## **Baseball Cap Implications in the Quest for Global Hegemony**

The Iranian regime suppresses its own people as well as others in the region. It prevents peace by sponsoring terror globally. With the ultimate weapon that it is deceptively developing, the regime aims to gain hegemony over the entire Middle East and hold the world's economy hostage.
