Whats Wrong With China

What's Wrong with China is the widely anticipated follow-up to Paul Midler's Poorly Made in China, an exposE of China manufacturing practices. Applying a wider lens in this account, he reveals many of the deep problems affecting Chinese society as a whole.

What's Wrong with China by Paul Midler - Goodreads

What's Wrong with China is a collage of ideas, a grab bag of themes and theories, not the least of which is the author's supposition that Chinese culture is rooted in a deep informalism that cannot be eradicated. Business and politics are inextricably tied, so the book necessarily touches on global affairs.
