LibGen is a unique concept in the category of eBooks, as this Russia based website is actually a search engine that helps you download books and articles related to science. It allows you to download paywalled content for free including PDF downloads for the stuff on Elsevier's Science Direct website. Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains.

Various activities Yrs 7/8 How Science Works | Teaching ...

A year listed without any letters is always Common Era, starting from year 1. Adding CE or BCE after a year is only necessary if there is room for misunderstanding, e.g. in texts where years both before and after year 1 are mentioned. For instance, Pompeii, Italy (see image) was founded around 600–700 BCE and was destroyed when Mount Vesuvius ...

What Do CE and BCE Mean?
